

## Learn to Play Bass: 10 Easy Lessons (Book & CD)

Without having prior knowledge of the bass you can teach yourself to read TAB and standard music notation with this easy to follow booklet & CD package. Each lesson and exercise in the book is also on the CD so you can see and hear exactly how the lessons are to be played. This method covers scales, riffs, arpeggios and will help you to create your own bass lines and much more. This is CD size package.
