

The Divine Unleashed (The Divine Series Book 3)

While still struggling to control the Divine Power, Kade races to stay one step ahead of the Evil Master Chosen, Morg. With every heart pounding moment, he feels the man closing in on him as he desperately tries to understand what tangled web he has been drawn into. After ten years of intense training, and one month of being on the run, Kade begins to realize that he is a pawn in a much larger plot. He quickly learns that the key to understanding what role he plays in this dangerous game of cat and mouse lies within the Arch of the Ancients. Unfortunately, the man who hunts him is also searching for the long lost doorway to the land of the dead. The Apprentice Chosen embraces his fate with a vengeance and decides to turn the hunter into the hunted. With his gift of limitless Divine Power and his faithful dragon at his side, he plans his revenge even if it means he must sacrifice his own life.
