

## Smoke Break: Piano/Vocal/Guitar, Sheet (Original Sheet Music Edition)

The Crazy Ones, performed by Paloma Faith and penned by songwriting great Diane Warren, was featured in the 2015 movie Miss You Already, starring Drew Barrymore. This pop-rock ballad celebrates the most unhinged among us, proclaiming that, in times spent with the wild set, even the bad days were the good days. This original sheet music edition presents a piano/vocal/guitar arrangement of the tune, complete with artwork from the film and lyrics.
