

## The Rivers of Heaven: A Novel

As a child, Suzanne Wipkey barely escaped a surprise invasion of her home planet. Now, twenty years later, she barely scrapes through life hauling frieght across the Void while living with a debilitating phobia and deadly disease. Little does she realize she is also now the target of two men desperate to hunt her down: Doctor Tomias Ludenhoff, a psychopath wholl stop at nothing to dissect her mind to learn the forgotten secrets locked within and Colonel Stanley Chadwick, a British agent in the twilight of his career charged with preventing Suzannes secrets from falling into the wrong hands.
