

# The Elements of Sorcery

No matter what you want to learn, everyone has to start somewhere. Edar Moncrief is a sorcerer: one of an elite few who can control manna, the life force of the world, using only his mind. When he trips over the body of an Arbiteran elite warrior-monk with powers not so unlike his own in the streets of Elenia, Moncrief must race to solve the murder while a literal sword hangs over his head. And that's just the beginning. Within these pages are five novellas following the adventures of Edar Moncrief as he discovers the deepest truths of the power that he wields, his triumphs and downfalls, his perfect moments... and his greatest mistakes. These are the Elements of Sorcery. CONTAINS: Sorcerers Code Sorcerers Crime Sorcerers Blood Sorcerers War Sorcerers Truth One of my favorite fantasy protagonists of all time. - M. Todd Gallowglas, author of Tears of Rage and Dead Weight If you like sorcerers, witty humor, adventure, the first-person point-of-view, and flawed heroes: get this. - Amazon Review of Sorcerers Code
