

## Freecurrent II: Descendants (Freecurrent series)

In the depths of his seclusion, the corrupt sorcerer Candaz devises a strategy to help restore his lost power. As he attempts to implement his plan, the dragons suddenly vanish from Risen and it is left up to their human friends to discover the reason for their disappearance. In the second book of the Freecurrent series Jesse joins her grandmother in a quest to find out what fostered this terrible occurrence and to set things right. She crosses paths with three handsome young men who will impact her life in very different ways. With time slipping away for the dragons, the party faces a number of perils as they traverse Risen in an attempt to reach the Ancient Dragon Temple of Neeg to find answers before it is too late.
